

## Done Deals | Multiples

2 Done Deals **SOLD** in 2022:

**ROCK WORKS INC.**

Based in the Okanagan, T&A Rock Works is the leading provider in drilling, blasting, and slope stabilization for the construction industry.

---

### **NORTHERN CONVENIENCE SOLUTIONS**

Based in northern Ontario, NCS is a convenience food products distributor since the early 1930's.

---

The M&A lower middle market marketplace in western Canada continues to be robust in the manufacturing, wholesale food distribution and construction related industries.

We continue to actively look for new opportunities in these sectors.

Managing Partner

## Multiples Paid

Year over year, multiples climbed in the lower middle market. The \$2 million to \$5 million sector saw the biggest jump, with multiples climbing half a point. Much of the increase in multiples in the lower middle market is due to the number of buyers competing for quality deals.
